**What is the date you want your 5 or 7 day patrol to start?** \_\_\_\_\_

### **Security Assignment and Terms**

Officer will drive marked vehicle on to customers property for the amount of days as stated above. Officer will ride through parking lot and make sure presence is known. Officer will also shine a light so people will see you have Security watching your property. This price does not include Officer leaving the vehicle to check gates, check doors, meet staff, etc. This assignment is a “Deterrence” based patrolling option. It is meant to give your property the presence of patrolling while keeping costs down. **This “Patrolling” is designed to look like when the police department used to ride through a parking lot.**

Our patrols start at 6pm and run until 6am. By selecting this “Temporary contract” of 5 or 7 days, your patrols will be done between the hours of 6pm and 6am at 1 visit per night. We will not visit the same time the next night, it will be a different time, there is a reason for this, it builds a “Deterrence”. People never know when we are coming back.

### **To cancel the contract:**

Once the services have been provided for the 5 or 7 day contract, **it is over and your card will not be charged again.** You must fill out a new “temporary contract” to start a new week.
